The Government of the Republic of Serbia founded the University of Defence on 24 February 2011. on the basis of decades-long tradition of education of Serbian officers, as a final act of harmonizing the civilian and military education in the Republic of Serbia.

This institution, with its two academic units (Military Academy and Medical Faculty of Military Medical Academy), the Rectorate and professional bodies, in accordance with the Law on Higher Education, combines education and scientific research with the aim of securing high quality education and permanent training of officers.

The teaching staff consists of about 250 teachers and associated staff, who implement over 20 programs of study in basic, integrated, master, specialist and doctoral academic studies and a number of training programs in technical, technological, medical sciences and humanities, providing highly educated and motivated professional officer corps.
